Our Reservation Is Growing Without Reservation

Linda

So a nice

Luck, Jim
Tracy

This year at our Reservation brought a record number of students. As a result the halls were more crowded than ever before, yet discipline in the halls was better than we've known for a long time. To combat our overcrowded classrooms, the Reservation is expanding. Throughout the year the students have observed the progress on the new building and eagerly awaited the completion of the construction of these additional eight rooms.

A phase of the expansion that attracted the attention of the students and parents alike, was the possibility of a consolidated school. While consolidation would not alter the student body, it would offer new possibilities in the operation of our Reservation.

One of the more noticeable changes in our school was the installation of the language lab. With the growth of our Reservation, we must learn to accept and adapt ourselves to the methods that accompany this growth.

A more universal growth was the success of a British singing group. In '64, England furnished us with the insistent beat of the "Beatles." To be sure, their wild haircuts, ultra-continental clothes, and zany nicknames mark them for a weird troupe; but millions of their recordings, bought by teenagers throughout the world, have marked them as one of the most outstanding successes of the year.

As the "twist" faded out, our Reservation adopted the "swim." All the Indians who spent their summer around the great waters of Tippecanoe, brought the "swim" back with them.

This passing year has also witnessed the establishment of many innovations and "firsts." For the first time in Indiana's history, a sales tax was instituted. Customers and retailers alike are still being bewildered and confused by the complexities of another tax. The solid 25¢ price tag is no more.

As always, this year brought new fashions on the scene. Girls turned to the Italian mohair sweaters, skirts, and dresses. The "A" line skirt and shift dresses were also very big. And how could anyone overlook those fabulous stretch slacks? When the snow hit the ground, those high-topped boots hit the stores. French heels were out and stacked heels made the grade. From the extreme bouffant, hairdressers turned to the more casual flip.

All the men turned up in jackets without lapels or

cellars. Everyone who was anyone wore the pin-striped shirt with a snap tab collar. Cadet sweaters and jackets were also popular. The guys of style bought Italian boots. After school, guys and gals alike donned the ski jacket, cutoffs, and, invariably, tennies.

Change was evident elsewhere. With the beginning of the second semester, came the addition of two new courses to the curriculum, sociology and geography. Plans were made for the formation of the M Club, an organization for our athletes. Within many organizations themselves, however, there have been changes this year. The **Smoke Signal** switched from a monthly publication to a bi-weekly one. The 1964 **Pow Wow** has used color for the first time. The literature classes have been supplemented with test booklets, along with their new books.

But not all of these changes came about within the walls of our school, and our growth was not merely limited to expansion in area. One young lady from M.H.S. was named Grant County's "Junior Miss" by the Marion Jaycees. Several seniors participated on a TV program discussing Communism. Members of the Music Department received outstanding ratings in competition. It's been a year to remember.

On the political scene, two major trouble spots continually made the headlines. Vietnam, a country torn by civil war in a fight between freedom and Communism, was the sight of governmental revolution also, with three different regimes seizing power during the year. Cuba, the seed of Communism in the western hemisphere, was blockaded by the West. The United States sold wheat to Russia and Great Britain sold busses to Cuba.

Closer to home, headlines told of the tragic explosion of the Indianapolis coliseum. During the finale of the famed "Holiday on Ice" show, an explosion rocked the coliseum, killing 80 and injuring a hundred. Even closer to home was the death of Gas City's mayor, Robert Ray, who had served in that office for over 25 years.

JOHN F. KENNEDY
1917 — 1963
35th President of the United States

The most memorable happenings of our school year came on an average day in November, with the announcement, during the sixth period, that John F. Kennedy, President of the United States, was dead.

For three days, all the usual television programs were cancelled and all the networks devoted their entire air time to the coverage of the events following the President's assassination. All social activity was

suspended and school did not convene. The whole world grieved at the loss of a great leader and a great man.

The assassination of President Kennedy was met with much disbelief in our Reservation, but as the startling truth of the events surrounding his death were revealed, everyone hoped that his death was to serve a purpose, that he did not die in vain.

So Linda,
So a real nice
girl, not a ruck.

During the first six weeks of school each class chooses four members to represent them on the Student Council.

They have an annual magazine sale in which the entire student body participates. The money from it is used to buy equipment needed at the school.

They also sponsor the annual Track Dance and obtain entertainment for convocations.

The purpose of the Student Council is to represent the student body in every phase of high school life.

New adviser

With the new adviser, the school newspaper has been greatly improved. It has become a bi-weekly newspaper because, with our ever-growing Reservation, there is a much greater need for more circulation of the school news.

It reports all the athletic and club activities. Also

it reports the progress of the school and the many new changes which are made.

It added new articles such as "Tongue in Cheek—Foot in Mouth" which gave the student body a lighter outlook toward the teachers and themselves.

Prospective Teachers Obtain Knowledge

The FTA is one of the newer clubs in the school. It was organized three years ago for those students who are prospective teachers. At every meeting there is a program which relates to the student facts about teaching. The club also participates in the District and State Conventions. This year for the first time they held an "Apple for the Teacher" day on which every teacher received an apple and a short biography was given in front of the class. This was held in recognition of National Education Week.

Indianettes New Addition to Band

The Indianettes are a newly-formed addition to the band. Each girl had to show her marching ability and coordination. They were screened and chosen by Mr. Maxson and the twirlers. They have performed with the band at football and basketball games. They also participated in band days at Ball State and Indiana University.

ision and Greater Participation

In mid-August the MHS Band began organizing, marching, and practicing in preparation for the ball-games, band days, and concerts during the coming school year. The organization held its annual candy sales in order to purchase new uniforms for the ever-increasing number of bandsmen. The MHS Band, along with the junior high bands presented its annual spring concert. A highlight of the program was the presentation of the John Phillip Sousa Award to the outstanding senior band member.

The ensembles are another new addition to our ever-growing Reservation.

The members of the male quartet are, from left to right, Fred Hatfield, Leon Barber, Charles Gafford, and Lowell Gafford. They won a first in the district contest which entitled them to go to the State Contest, where they also won first place.

The girls' trio consists of, left to right, Pam Ratliff, Susan Stultz, and Cheryl Jones.

The girls' sextet, left to right, are Dianne Collette, Carol Stone, Margaret McHarry, Loretta Walton, Mary Ethel Kelly, Barbara Ratliff, and Carolyn Barber, accompanist.

Bob McHarry, the accompanist for the Trio and Quartet, entered the district contest, also. Winning a first place entitled him to enter the State Contest, where he also won a first place.

This first year was a very successful one for the new ensembles.

The entire choir also had a very active year. Besides participating in club and church programs, it also entered a district contest, and held the annual cookie sale.

Under the leadership of their new sponsor, Mrs. Alice Cleveland, the Tri-Hi-Y members participated in many worthwhile activities.

They sponsored a clothing drive for the needy people in the south and also collected food for unfortunate families at Christmas.

Selling Basketball ads and co-sponsoring the homecoming Dance were the two main projects for the Hi-Y boys this year. They had quite a let-down when their traditional Homecoming Bonfire was burned before the Pep Rally, but with the help of other M.H.S. boys the fire was rebuilt in time for the festivities. The club strives to uphold their motto of "clean sports, clean scholarship, clean speech, clean living."

Thespians Presented "Ladies in

ROW: Judy Topliff—Treasurer, Anna Dalton—Vice-Pres., Jane Ruley—Secretary.

A deeply psychological melodrama, "Ladies in Retirement," probes into the minds of these three sharply contrasted personalities—the Creed sisters.

"The police are looking for a young man who's supposed to have taken money from a bank," warns Sister Theresa.

Retirement''

In October Thespians brought to life personalities on the pages of a playbook titled "Ladies in Retirement." Hours of backstage work transformed a lifeless gym stage into a world of another era. Period costumes and an authentic stage setting gave the audience a glimpse into English life in the 1880's. Then finally, November 1 and 2, there were audiences who sympathized with the staid, matronly murderess Ellen Creed, played by Georgia Meiboom; smiled at the simple-minded Emily and Louisa Creed, played by Jane Ruley and Judy Jones; gasped for air at the strangulation of Leonora Fiske, portrayed by Cindy Amspaugh; distrusted the crafty impudent nephew, Albert Feather, Randy Harris; mused over the shy love antics of the maid Lucy, Linda West; and appreciated the honesty and devotion of Sister Theresa played by Lee Etta Dustin.

"Oh, no, you mustn't kiss me. I don't know you." (Poor, innocent Lucy!)

"But you don't have to know people to kiss them!" (Bold, brazen Albert!)

Besides presenting two theatrical productions, the Thespian Society prepared and performed a number of school convocations.

The freshmen will remember, of course, their own "Fannie, the Freshman." "A Child For A King," the Christmas program, was also performed before a number of community groups.

Several money-making projects were incorporated into the Thespian activities. The highlight of the year was the annual banquet for the induction of new members. This year the theme was "An Evening in Paris."

Thespians brought honor to the school in speech contests throughout the state. The slave auction will be remembered, too, and the fun and humor of "Mrs. McThing" brought a wonderful climax to a busy year in the life of Thespian Troupe No. 656.

Georgia Meiboom was chosen Marion's Junior Miss of 1964 by the Marion Jaycees. She received a \$50 scholarship from the Coca-Cola Co. and a \$100 scholarship from the Marion businesswomen.

She participated in the State Junior Miss contest at Indiana University in February.

The F.H.A., representing our homemakers of the future have a variety of activities. Their annual sweatshirt sale and their Christmas bow sales help to raise money for many worthwhile projects.

With the help of their sponsor, Mrs. George Lehman, the girls learn all the points of better homemaking.

Numerous volumes of books include fictional and non-fictional material.

The library provides the main source of academic study for the students at our Reservation. Whatever the student's curriculum may be, he will be able to find numerous sources there of reference dealing with his topic.

The library is equipped with several sets of encyclopedias, files of many popular magazines, and volumes of fictional and non-fictional books. These things, together with the quiet atmosphere, make the library a good place for each student to begin his academic study.

Cheerleaders lead our school spirit

In May, 1963, six varsity cheerleaders were elected. They were: Seniors, Donna Studebaker and Becky Sewall; Juniors, Sondra Lee and Diane Woodruff; Sophomores, Debbie Hufstedler and Linda Peery.

In June, they attended Camp All American near Jackson, Michigan. Schools from all over the country were represented. Our cheerleaders won a second place ribbon and a third place trophy during their week of competition. This was a very exciting and

rewarding summer for our cheerleaders.

During the school year the cheerleaders sponsored the first dances after the football and basketball games, planned several pep sessions and helped the Hi-Y paint store windows to pep up the school spirit.

The cheerleaders have cheered our team enthusiastically throughout the year and have spent much time coaching the pep club for games.

Clockwise our Varsity Cheerleaders are: Diane Woodruff, Becky Sewall, Linda Peery, Sondra Lee, Debbie Hufstedler, and Donna Studebaker.

Homecoming Bigger

Homecoming this year became a two-day event with the parade and bonfire on Friday, October 11, and the Homecoming game and dance on Saturday, October 12.

The parade was led by a police escort, and the football squad was carried from the City Hall to the football field on the fire engine. The band also marched and the cheerleaders led a snake dance. At the bonfire, the band played the

school song and the cheerleaders led the pep rally.

The game was an exciting one, with the Indians holding the Winchester Drivers scoreless, and themselves scoring 38 points.

The dance was a large one and was a gala affair after the smashing victory beforehand.

The weekend was planned jointly by the Future Homemakers and the Hi-Y.

Tribe Captures Fifth Consecutive

Our football squad finished a very successful campaign this year. Their only defeat, in a 7-1 record, was at the hands of Marion, who finished ninth in the State's top ten football teams.

Coaches Fisher and Fredenberger led our tribe to its fifth straight MVC title. Coach Fisher was elected Coach of the Year. Jim O'Brien, Mike Willis, and Bill Watson were elected to the first string All-Conference team. Lester Cardwell and

Rick Atkinson were elected to the All-Conference second team and Ron Jones received Honorable Mention.

The tribe picked up a total yardage of 2,428 yards to our opponents 1,158 yards. Bill Watson led the attack with a Grand total of 1,048 yards and averaged 8.3 yards a carry. Ron Jones, Jim O'Brien, and Cork Atkinson led the team in tackles.

Team has impressive 14-8 record

The basketball squad finished with an impressive 14 and 8 record this year. The team was lacking in size but out-witted and out-played most of their opponents. Coach Mannies, the school, and the public can be proud of their fine sportsmanship in playing and of the entire school's. The team only got as far as the second game in the Sectional this year but they played well.

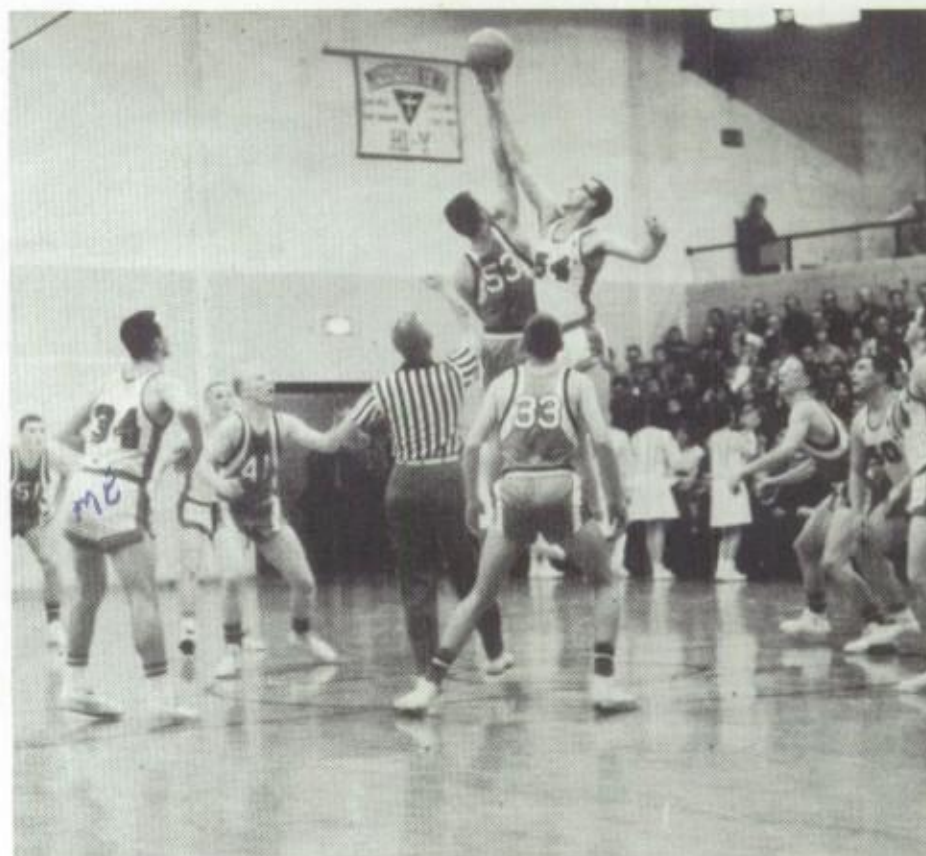

The team also finished third in the Mississinewa Valley Conference. Bill Watson won honors for the team by being named to the first team, All-Conference.

Ron Jones and Lester Cardwell were chosen captains of the varsity squad at the beginning of the season.

The first baseball team was a big success

Mississinewa High School added baseball to the athletic program during the 1963 school year and had a banner season in its first year of the sport since football took its place as a fall sport in 1950.

Mississinewa participated in the Western division of a fifteen-member high school league. The Indians won the Western division trophy and beat Geneva, the Eastern division winner in the best of a 2 of 3 series. The team finished with a 15-3 record.

Senior Officers—Patt Pickens, Secretary; Peg Wright, Reporter; Don Smith, Vice-President; Susie Bickel, Treasurer; and Les Cardwell, President.

The class of 1964 studied, worked, and played under the capable leadership of the senior officers. They will always cherish the memories of high school days. Coming to the end of high school naturally brings mixed emotions, but the seniors are growing up and now are ready to face adult responsibilities and the accompanying joys.

The warriors of our reservation have proven their capabilities in a number of ways. Early in the year they selected their class rings, and during football and basketball season, they tended the concession stands, earning money for the Prom.

Yes, our juniors are well on their way to adulthood and can surely hold their own as next year's chiefs.

Sophomore Sponsors—Mrs. Redden and Mr. Meyer assist the officers at all times.

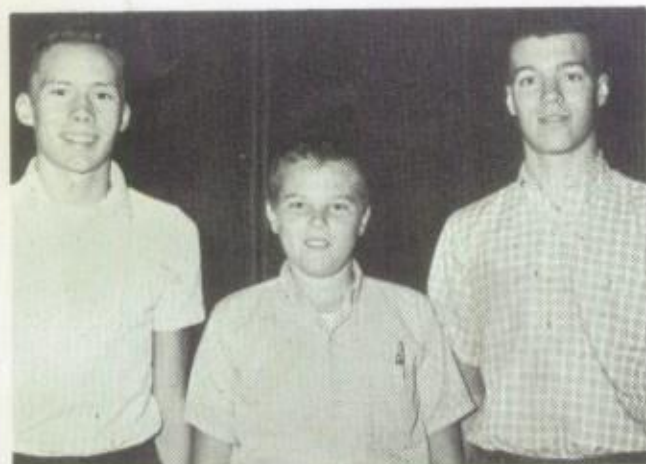

The younger braves of our reservation are anxiously awaiting their chance to be upper-classmen. Being the largest class at M.H.S., the sophomores are quick to make it known that they are no longer greenies.

They have kept very busy participating in the many activities of our reservation. Now they are looking forward to their Junior year, and they know that they are going to have twice as much fun and success as they did this year.

Freshmen have many new experiences:

Freshman Sponsors—Mrs. Foust, Mrs. Newby, Mrs. Barbor, and Mr. Bryan.

The papooses of our reservation have adjusted well to new tribal living this year. Already they have shown great promise of being capable representatives of our tribe in the near future. Attending their first formal dance, joining clubs, and taking part in other school activities have rounded out their busy schedules.

As usual the "GREENIES" have had to take a lot of criticisms and jokes, but they have proven themselves capable of being future chiefs. Their cheerful spirit has really added to the teepees of our reservation.
